**PRESIDENTIAL PROCLAMATION
NUMBER 62**

Declaring a Moral Recovery Program and Enjoining Active Participation of All Sectors in the Filipino Society.

Whereas, there is a need for moral renewal in order to eradicate the social ills that have plagued us for the past several decades, such as graft and corruption, patronage politics, apathy, passivity, mendicancy, factionalism and lack of patriotism.

Whereas, Article XIV, Section 3 (2) of the Constitution provides that "all educational institutions shall inculcate patriotism and nationalism, foster love of humanity, respect for human rights, appreciation of the role of national heroes in the historical development of the country, teach the rights and duties of citizenship, strengthen ethical and spiritual values, develop moral character and personal discipline, encourage critical and creative thinking, broaden scientific and technological knowledge and promote vocational efficiency."

Whereas, the Philippine Senate on September 18, 1987 adopted the Shahani sponsored Resolution No. 10 directing a Senate Task Force to inquire into the strengths and weaknesses of the Filipino character with a view to solve the social ills and strengthen the nation's moral fiber, thereby laying the groundwork for the national campaign for moral recovery.

Whereas, the Senate Task Force, after a comprehensive study, has established the need to develop in the Filipino – (1) a sense of patriotism and national pride, or "pagmamalaki sa bansa" – a genuine love, appreciation and commitment to the Philippines and things Filipino; (2) a sense of the common good or "kakayahang magmalasakit" – the ability to look beyond selfish interest, sense of community living, a sense of justice and sense of outrage at its violation; (3) a sense of integrity and accountability or "katapatan at panagutan" – an aversion towards graft and corruption in society and avoidance of the practice in one's daily life; (4) the value and habits of discipline, hard work or "pagsisikap", self-dignity and self-reliance; and (5) the value and habits of self-reflection and analysis or "pagpapahalaga at pagsusuri sa sarili", the internalization of spiritual values, the emphasis on essence rather than form;

Whereas, moral recovery is an integral aspect in ensuring success in the government's economic development and people empowerment programs and projects;

Whereas, Moral Recovery Program is conceived to be an important dimension of the programs which this administration has already launched such as KABISIG, the various poverty alleviation and countryside development programs, livelihood and basic services delivery, among others;

Whereas, there is a need to prepare the youth to respond to the challenges of modernization and the 21st century;

Whereas, there are existing mechanisms which can serve to promote and ensure a sustained Moral Recovery Program for national development and solidarity;
