In this activity, our office conducts information dissemination about Civil Registration to the different agencies and instrumentalities of the National Government and Local Government Units including government – owned or controlled corporations, the private sector, development partners and the citizenry.

In this regard, we are expressing our intention to undertake a three to four – hour lecture on civil registration to the officials and employees of your agency.

Please let us know of the most convenient schedule for the said activity.

We are hoping for a favorable action on our request. Thank you very much!
