**SALUSTIANO JIMENEZ**

Schools Division Superintendent  
Division of Negros Oriental  
Department of Education

Sir:

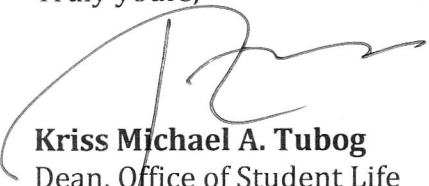

Foundation University will be holding the Expo 2017 on February 22-24, 2017 with the theme **"FU @ 68... Y W8!"**. This is a showcase of Foundation Preparatory Academy's talents, programs as well as some of the latest technological trends, opportunities and solutions.

Exhibits and series of competitions highlight the three-day event such as the computer quiz bowl, VEX robotics competition and the information technology exhibits, culinary shows and demonstrations as well as business advertising and various competitions.

In connection with this, may I request your permission to allow the different high schools in the Division of Negros Oriental to send student-participants in the various competitions and activities of the Expo 2017. Certainly, the participation of the selected students will enrich their knowledge and experience and encourage them to pursue college education.

Thank you for your continued support of the endeavors of Foundation University to improve the quality of education in the Philippines.

Truly yours,

  
**Kriss Michael A. Tubog**
