The Philippine Health Agenda strategy of the Department of Health is directed towards achieving better health outcomes, sustained health financing and responsive health system. It hopes to attain these by ensuring that all Filipinos especially the disadvantaged groups have equitable access to affordable health care. Which means, that essential health services must be given not only to those who can afford but also to those who are financially and socially disadvantaged.

In the effort of developing culturally sensitive health personnel that are responsive to the needs of the Indigenous Cultural Community or Indigenous People (ICC/IP), we would like to invite **Ms. Emma Sojor Mate**, Indigenous Peoples Education Focal Person, as facilitator for the upcoming **Orientation for Culture-Sensitive in Indigenous People Health** on **14 to 17 November 2017 at 8:00 am to 5:00 pm** at Plaza Maria Luisa Suites Inn, Bishop Epifanio Surban, Dumaguete City, Negros Oriental.

Meals and accommodation will be shouldered by DOH while transportation expenses will be shouldered by the sending agency.
