Dear **Dr. Jimenez**,

This is in reference to our previous letter regarding the Department of Science and Technology - Science Education Institute (DOST-SEI) Undergraduate Scholarships available for ongoing Grade 12/senior high school students.

Based on our records, there has been no qualifier for the DOST Scholarships from the Municipality of Tayasan since 2005. Section 10, of R.A. 7687: An Act Instituting a Science and Technology Scholarship Program and Other Purposes, provides that "the DOST shall organize a program geared towards enlisting at least two (2) scholars in each municipality of the Philippines and at least ten (10) scholars for congressional districts without municipality."

In consideration of the foregoing, we would like to intensify our scholarships promotion campaign by conducting a DOST Undergraduate Scholarships Orientation Session on August 14, 2017 (9:00 AM to 11:00 AM) at the Tayasan National High School with the prospective applicants (preferably the top 10 of the graduating senior high class) and their school heads and teachers of the following schools:

- Pinalubngan NHS
- Tayasan NHS (Main)
- Tayasan NHS-Bago Campus
- Tayasan NSHS
- St. Anthony Academy
- Tayasan Institute of the Iglesia Filipina Independiente, Inc.

In this regard, we would like to respectfully request your good office to allow the above schools to attend and send participants to our orientation activity.

We are hoping for your most favorable response to this request.

Sincerely yours,

ROSLYN D. TAMBAGO, PhD
