Subject : **ACCOMMODATION OF FIELD STUDY STUDENTS (FSS) from NORSU, Siaton Campus.**

Our partnership with Negros Oriental State University (NORSU) Siaton Campus as a Teacher Education Institution, allows their students from the College of Education to experience authentic environment in our public schools through their Field Study practice.

DepEd Order No. 3, s. 2007 authorizes the field study students to use our classrooms as their laboratory where the students enrolled in the College of Education can observe, verify and reflect on, and practice the different components of the teaching-learning processes in a variety of school settings.

Enclosure No. 1 to DepEd Order No. 3, s. 2017 on the "Guidelines in the Deployment of Pre-Service Teachers' provides that Resource Teachers of Field Study Teachers shall:

1. see to it that the FSS's role is limited to the requirements and activities of the particular field study course;
2. accommodate FSSs in their actual classroom teaching and are not duty bound to mentor/coach; and
3. certifies the attendance of the FSSs.

Attached in this division memorandum is the list of field study students from the above-mentioned TEI. Kindly facilitate the assignment of these FSS to any teacher in your school as their Resource Teacher where they can observe and interact for them to be able to accomplish the requirements congruent to their professional education subjects.

To avoid congestion in the classrooms, it is strongly encouraged that the FSS shall be given schedules for their visit and allow them to observe classes for **17 hours** only.

Only those students whose names are in the list must be accommodated.

Should there be issues and concerns regarding FSS kindly refer them to this office (Attn: Dr. Erlinda N. Calumpang, Chief Education Supervisor, Curriculum Implementation Division).

For your cooperation.
