Dear Superintendant Jimenez:

Greetings and Salutations from TECNOS!

The Tourism Educators Council of Negros Oriental and Siquijor (TECNOS) is endorsing and supporting the Second Edition of the Positive Energy Battle of the Brains Quiz Bee Grand Finals in Negros Island anchored on the theme "Renewable Energy for a brighter future" participated by Junior and Senior High School students.

Both the Regional Association of Development Information Officers (RADIO) in Central Visayas and the Association of Negros Oriental Public Information Officers (ANOPIO) have committed to support this laudable initiative and project.

Believing its significance to our young individuals across Negros Island and Negros Oriental in general, we would like to invite you, our science teachers and a good number of students from Negros Oriental High School and other schools under your care preferably from the adjacent towns as well as cities to witness and learn from this event on September 5, 2017, 1PM at the Main Atrium of Robinsons Place Dumaguete.

Celebrity Host and Actor Robi Domingo will be there to speak and share his advocacy on sustainable development.

Thank you and anticipating your usual support.

Sincerely,

RAFAEL ARBON DUHAYLUNGSOD
President
