**MR. SALUSTIANO T. JIMENEZ, CESO VI**  
Schools Division Superintendent  
Dumaguete City

Attention: **Ms. Elizabeth Quirit**  
2<sup>nd</sup> Cong. Nurse Coordinator

Dear Mr. Jimenez,

Rabies is a viral disease of mammals most often transmitted through the bite of a rabid animal. The campaign for the prevention and control of rabies is an ongoing program of the Provincial Government. In order to increase awareness on this deadly but preventable disease, the Provincial Veterinary Office in coordination with the Provincial Health Office will conduct a Seminar on Rabies and Responsible Pet Ownership on December 8, 2017, 8:00 am - 5:00 pm at Ms. Anns Foodtown Function Hall, L. Rovira St. Bantayan, Dumaguete City.

In this connection, may we request the presence of Ms. Elizabeth Quirit along with 20 health personnel and 30 elementary & secondary school heads to participate in the said activity?

Hoping for your kind approval and continued support to our program.

Thank you.

Very truly yours,

**JAIME C. VILLADUZ, JR.**  
OIC, Provl. Veterinary Office
