Dear Sir/Madam:

We are pleased to inform you that the PhilGEPS continues to be benchmarked and studied by neighboring countries who envision having their own central e-procurement system, with PhilGEPS officials being invited to present the PhilGEPS program and experience in various fora, symposia and other gatherings of world-renowned e-procurement organizations and practitioners in the world. In these international gatherings, the efforts of the Philippine Government in pushing for reforms in government procurement were recognized and commended. Multi-lateral development partners like the World Bank (WB) and the Asian Development Bank (ADB), acknowledge the fact that the PhilGEPS is a viable instrument in the government's efforts at improving efficiency in the procurement function and has accepted the PhilGEPS for application on ADB and WB-funded procurement projects.

In April 2014, the PhilGEPS System Modernization Project was awarded and initiated to improve on its technical design and architecture to ensure further efficiency and streamlining towards full implementation of electronic procurement in our country.

It is for this reason that we are extending this invitation to your School's BAC members, Secretariat and Technical Working Group to attend the PhilGEPS Training for Phase 1, and all other succeeding trainings for new system developments so you can revisit and familiarize yourselves again with the use of the PhilGEPS and keep pace with the upgrades.
