Relative to this, there will be an orientation a day before the testing day at Negros Oriental High School assembly hall to orient all involved personnel in the 2016 A&E Test on their duties and responsibilities before, during, and after the test administration. It is requested that all involved personnel must attend the said orientation. They are expected to conduct ocular inspection of the testing rooms to be used to familiarize themselves with the layout of the testing venue.

Please be informed also that the honorarium as well as meals and snacks allowance of field personnel who will be involved in the test orientation and administration will be given through our division cashier officer subject to the usual government accounting and auditing rules and regulations.

For immediate dissemination and compliance.

Thank you.
