**Dear Madam,**

Greetings of peace and love!

In this letter, please allow us to introduce the Catholic Advocates for Religious Action (CARA), a local religious organization of the Diocese of Dumaguete. With the blessing and guidance of Bishop Julito Cortes, Msgr. Marino Ybo, and Fr. Henrix Alar, CARA is now a community of young women challenged to become the "face" of Christ in the world today in the ordinariness of our everyday life. The said community, while aiming for spiritual growth, is also actively participating in social mobilization and service.

In line with our aspiration, we are sponsoring a Film Seminar entitled "BOSES" which campaigns to put an end to violence committed against women and children. The film seminar is spearheaded by the Advocacy Distribution of Erasto Films, Inc. as endorsed by the Philippine Commission on Women. We have included in this letter a Synopsis of "BOSES".

The young women of CARA support the said gender and development activity, as well as the continuing advocacy campaign to end violence against women and children during the months of November to December and the celebration of the National Children's month during the month of October. Hence, CARA intends to hold a screening of the advocacy film in Dumaguete City on November 18, 2017.

In this regard, we would like to work with you and your institution, together with the Diocese of Dumaguete, the other Diocesan Schools in the City and in the Province of Negros Oriental, and the Parish Pastoral Council of the Diocese on this momentous activity. We are looking forward to a bigger participation from parents, students, the respective school heads of the Diocesan Schools, some religious organizations, and some non-profit organizations, which also advocate for the welfare of women and children. The Public Attorney's Office in Dumaguete City, in line with their gender and development activities, also supports this endeavour.

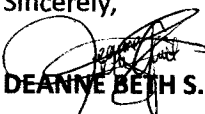

With this, we would like to sincerely ask for your support and sponsorship for the "BOSES" Film Seminar. We most humbly request you to campaign to your students, faculty and staff to watch this film at the **Second Floor of the Negros Oriental Convention Center (NOCC)**, Capitol Area, Dumaguete City on **November 18, 2017**, at any of the following schedules: **1:00 o'clock in the afternoon, 3:30 o'clock in the afternoon, 6:30 o'clock in the evening.**

We are enclosing herewith \_\_\_\_\_ tickets for the "BOSES" Film Seminar at Php100.00 per ticket that we fervently hope you can distribute to your students and teachers, the staff and even your students' parents. We hope you will encourage them to watch and be moved by the message of healing which "BOSES" is able to convey, making it a very meaningful film.

We strongly believe that with your kindest support and active involvement in this undertaking, we can bring light and genuine concern for the welfare of women and the youth of today. Please don't hesitate to contact us for your concerns or inquiries. You may call the undersigned at 0905 344 5335 or Ms. Zenovia "Bingbong" Mercedo at 0933 639 0312.

Thank you very much and may God bless you more!

Sincerely,

  
**DEANNE BETH S. QUIRIT**  
CARA President

*"The film BOSES enjoyed positive reviews from its screenings in various festivals abroad, and in different schools and communities in the country. It is a must-see film. The story revolves around a 7 year-old battered child who could not speak because of the abuses he received from his father but was able to overcome it through music. BOSES echoes a call for the protection and promotion of children's rights. It examines how issues in the families and communities affect child's welfare and upbringing. It also thumbs through matters concerning women such as migration and girl child abuse. The Philippine Commission on Women supports the advocacies being reflected in BOSES as the Commission believes that children's rights should be promoted, protected and fulfilled. No child whether boy or girl, deserves discrimination and violence". [Emmeline L. Verzosa, Executive Director, PCW]*

I am deeply honoured to endorse the BOSES Film Seminar. Please join in supporting the campaign and advocacy of the Catholic Advocates for Religious Action (CARA) by encouraging your students, faculty and staff, and the general community to watch the film, and by kindly distributing \_\_\_\_\_ tickets. Thank you.

Blessings and prayers,
