 DepEd, Division of Negros Oriental

Dear Mr. Jimenez,

Greetings of Peace and Love!

First and foremost, we would like to extend our grateful appreciation for your continuing support to St. Paul University Dumaguete on its annual leadership development program which is the Junior High Student Leaders' Congress formerly Secondary Inter-High School Leadership Training (SILT) for the past years. This year, the university engages the youth especially our Junior and Senior High School student leaders in leadership and character building necessary for youth development that are entrenched upon what an empowered leader is.

Indeed, the overwhelming positive response we received from the delegates and their respective schools has challenged us to do better each year to raise the bar of leadership excellence through innovative approach to learning experiences that will enhance the leadership qualities and character of the participants.

In this connection, St. Paul University Dumaguete through the Student Affairs Office gladly invites you to its **2nd Junior-Senior High Student Leaders' Congress** anchored on the theme "*Empowered Student Leaders: Catalyzing Leadership to a New Areopaghi*" which will be held on **February 3-4, 2018** at St. Paul University Dumaguete campus.

Moreover, may we ask permission from your good office to permit the schools under your administrative jurisdiction to join the said leadership congress. Attached are the necessary documents for your convenience.

May we also ask for a letter of endorsement as a form of response to this letter relative to this communication as well as the list of schools with the corresponding school heads under your administration? For questions and clarifications, you may contact us through:
