Subject : DEPLOYMENT OF FIELD STUDY STUDENTS FROM NORSU-Dumaguete Campus

=====

The Negros Oriental State University –Dumaguete Campus , College of Education-Center of Development is asking again our cooperation to allow their Field Study Students to experience authentic classroom environment under the guidance of our teachers as their mentors.

To facilitate placement of these field study students, a pre-arranged schedule is prepared by the University subject to the approval of the School Principals of the identified public partner schools, the NOHS and Sibulan National High School.

It is expected that these field study students be given proper orientation by the Principal or his assigned School FSS Coordinator on school policies, regulations and environment. Further, NOHS and Sibulan National HS Resource Teachers are reminded that their roles are limited to certifying the attendance of these field study students and guiding them of their proper behavior while in the campus.

Should issues arise regarding field study students, the concerned schools may refer their concerns to this office (Attn. Dr. Erlinda N. Calumpang, Chief of the Curriculum Implementation Division).

For your cooperation.
