Subject : Deployment of Field Study Students from NEGROS COLLEGE, Ayungon, Negros Oriental

=====

The Negros College of Ayungon, Negros Oriental is asking again our cooperation to allow their Field Study Students to experience authentic classroom environment under the guidance of our teachers as their mentors.

These are BEED students in their Field Study 1, 3 & 4 who would like to get immersed to our basic education classroom from August 7, 2017 up to September 15, 2017. Further, by the second semester they shall be observing again classes as a requirement for their Field Study 2, 5 & 6 subjects.

It is expected that these field study students be given proper orientation by the Principal or his assigned School FSS Coordinator on school policies, regulations and environment. Further, those who shall be assigned as Resource Teachers are reminded that their roles are limited to certifying the attendance of these field study students and guiding them of their proper behavior while in the campus.

17 JUL 2017

Should issues arise regarding field study students, the concerned schools may refer their concerns to this office (Attn. Dr. Erlinda N. Calumpang, Chief of the Curriculum Implementation Division).

For your cooperation.
