Dear Dr. Jimenez,

Greetings!

The Dr. Jovito R. Salonga Center for Law and Development (Salonga Center) would like to conduct a series of creative symposia on legal topics (e.g. the Anti-Bullying Act of 2013, the Cybercrime Prevention Act of 2012, among others) among chosen high schools within Negros Oriental, particularly the Ong Che Tee – Bacong High School, involving both Junior and Senior High School students, within the month of September and October 2017. This is in fulfillment of the office's advocacy to promote legal education to the community through a series of lectures, not just in Dumaguete City, but in the neighboring towns as well. Attached is the list of topics that the school may choose from, and from which the lecturers will be basing their discussion from.

In line with this, we would like to ask from your good office an endorsement letter to be given to the selected school that would allow us to conduct the above-mentioned symposia.

The Salonga Center in Silliman University seeks to promote legal education and services through the collaborative efforts of volunteers consisting of practicing lawyers and students of the law. The Salonga Center also renders free legal services to indigents and marginalized sectors of the society.

We hope to hear a positive response from your office.
