School Division Superintendent  
Department of Education-Negros Oriental Division  
Dumaguete City

Dear Dr. Jimenez,

The Population Outreach Program of the Provincial Health Office, this province, under its Adolescent Health & Development Program is adopting the Ladderized Approach in Peer Education for Adolescent Reproductive Health (PE on ARH). This ladderized approach for PE on ARH composed of 4 level trainings, such as: 1) Adolescent Health & Youth Development Program, 2) Peer Facilitating and Life Skills, 3) Adolescent Sexuality and Reproductive Health (ASRH) and 4) Peer Counseling on ARH, seeks to develop peer educators who are committed to helping other young people make responsible and healthy decisions through a better understanding of sexuality, clearer values, and the practice of life skills. So far, out of these 4 level trainings, we are done with the first 3 level trainings conducted to selected BepEd High School students (list of which is hereto attached).

Thus, to complete the Ladderized Approach in PE on ARH, we are requesting your good office to allow the same students found in the attached list to attend the Training on Adolescent Reproductive Health Counseling for Peer Educators on October 8-10, 2017 at Bethel Guesthouse, Dumaguete City. The training starts at 2pm of the 1st day and ends at 3pm of the 3<sup>rd</sup> day. Meals and accommodation will be provided while transportation and other incidental expenses of the participants shall be shouldered by the sending school.

This Peer Counseling on ARH which also focuses on identifying the risk behavior of fellow adolescents is the last training to be provided to adolescents who will become Peer Educators on ARH in the school he/she is representing. The peer educators try to help peer adolescents change their behavior by providing health information and understand the factors which influence them to assume such behavior. The general objective of this training is for the participants to acquire good peer counseling techniques and skills, as well as, appreciate their role as Youth Counselors on ARH.

Furthermore, we would like to request Dr. Emma S. Mate, Senior Education Program Specialist (SEPS)-Social Mobilization & Partnership to be one of our lecturers.

For more inquiries, please feel free to contact Ms. Portia A. Francisco at numbers: 09754458112 or (035) 422-3961 or (035) 225-2615.

We are always grateful of your continued support to the Adolescent Health and Youth Development Program (AHYDP) in the Province of Negros Oriental.

Thank you.

Very truly yours,

**LILAND ZABILA B. ESTACION, BSN, RN, M.D.**
