SUBJECT : ACCOMMODATION OF FIELD STUDY STUDENTS from NORSU-Mabinay

=====

The Negros Oriental State University, Mabinay Campus College of Education is again asking our cooperation to allow their Field Study Students to experience authentic classroom environment under the guidance of our teachers as their mentors.

It is expected that these field study students shall be given proper orientation by the respective School Principal or his assigned School FSS Coordinator on the school policies, regulations and environment. Assigned Resource Teachers are reminded that their roles are limited to certifying the attendance of these field study students and guiding them of their proper behavior while in the campus.

To avoid conflict of schedule and congestion in the classrooms where the field study students may be assigned, the concerned schools are encouraged to arrange their schedules for these FSS to complete the **17 hours** as requirements of their course.

Should issues arise regarding field study students, the concerned schools may refer these to this office (Attn. Dr. Erlinda N. Calumpang, Chief of the Curriculum Implementation Division).

For your cooperation.
