MEMORANDUM

DM-PIO-2017-

TO : Regional Directors
Schools Division Superintendents

FROM : JESUEL R. MATEO
Chief, Planning Division

SUBJECT : Conduct of Orientation on PMIS and Uploading of FY 2017
Work and Financial Plan

DATE : February 13, 2017

In its quest to improve internal efficiency, its management, monitoring, and reporting, the Department is in progress of different projects, programs, and activities with the objective of an Education Blueprint through the planning process. It has developed the Program Information Management System (PIMS) as 2014. The PIMS is designed to facilitate systematic data collection, storage, analysis, and reporting of physical and financial performance of different divisions. This information system will provide decision makers with relevant and real time data on the progress of implementation of PIMS as essential for policy development.

Guided by the directives of the new administration and as one of the emerging priorities of the new administration, the PIMS will be enhanced and will be expanded to ensure consistency in monitoring of the following items:

- physical and financial plans of PAs for the CO and MOU, including PS for newly formed units;
- implementation and disbursement of the same program;
- financial data at every level of government (DO, RO, LGU) and School level;
- utilization and utilization of existing funds.

One of the major processes in PIMS is the uploading of Work and Financial Plan of all offices, except the National down to School level.

In view of this, the Planning Services Section, Division and its partnering functions together with Finance Services, Budget Division, and Information and Communications Technology Services will conduct a series of PIMS Roll Out in all Regional Offices (ROs) and Schools Division Offices (SDOs) starting February 21 to March 10, 2017.

The main objective of the activity is to upload the approved Work and Financial Plan of all ROs and SDOs in the system. The tentative Program of Activities is as follows: Afternoon 1:00 to 2:00 p.m. and 2:00 p.m. to 3:00 p.m. for activity and 3:00 p.m. to 4:00 p.m. for activity and 4:00 p.m. to 5:00 p.m. for activity.

The Roll Out will be done in the regions on a cluster level including private schools.

Very truly yours,

Respectfully,
Jesuel R. Mateo, Division Chief, Planning Division
