Dear Dr. Jimenez,

The Philippine Dental Association- Cebu Chapter will be holding the **2nd Visayas Dental Area Conference and Trade Exhibit (VisDAC)** with the theme "**Dental Updates: Learn and Level Up**", on **July 20- 21, 2017**. This will be a two-day event with 10 lectures and a dental trade exhibit.

We are organizing this event to benefit dentists from the Visayas and Mindanao who might not have been able to attend our May PDA National Convention and missed the opportunity to add to their continuing education. We are expecting at least 800 delegates coming from the Visayas and Mindanao to attend the said event.

In this regard, may we invite your dentists to attend this event. We believe that updating ourselves with new and better knowledge and putting it to practice is the only way to grow professionally and better serve our patients. We would also like to believe that you share this same sentiment with us.

For the minimum amount of Php 1000.00 (Regular Pre-Reg), they will have the opportunity to attend 10 lectures by our top caliber speakers on updates in the different fields of dentistry.

If you need more information, please contact us:
Dr. David Alesna: Phone (0917)320 0964 ; email dbalesna@yahoo.com
Dr. Cirene Mana-ay: Phone (0922)507 9641; email pdacebu91@gmail.com

Looking forward to your positive response to this invitation. God Bless!

Sincerely,

David T. Alesna, DDM
