Attention: **Jenith Cabajon**
Information Officer

Dear **Dr. Jimenez**,

Greetings!

The Philippine Information Agency (PIA) Region 7 with the **Regional Association of Development Information Officers (RADIO-7)** will hold its 23rd Regional Consultative Conference on September 18-21, 2017 at the Bethel Guest House, Dumaguete City, Negros Oriental.

RADIO-7 is an umbrella organization of the federation of local and national government information officers in the towns, cities and provinces of Central Visayas.

This year's convention carries the theme, "**Synergy: Communicating Responsible Information**" and where all information officers and tourism officers in Central Visayas are invited to attend.

Secretary Michael Lloyd Dino, Presidential Assistant for the Visayas is invited to be the opening Keynote Speaker on September 18 and Secretary Martin M. Andanar of the Presidential Communications Operations Office (PCOO) is requested to be the closing Keynote Speaker on the 3rd day. (Attached is a copy of the program)

The primary objective of the convention is to promote the critical importance of responsible information for dissemination by government front liners as well as to further equip information officers' knowledge on the current trends on social media, priority thrusts of the government and showcase cultural heritage for tourism promotion among others.

As host province, the convention will be an opportunity to promote tourism and development-related programs and projects in Negros Oriental.

In this light, we would like to invite from your good office, your designated Information Officer to participate in this significant event.

A registration fee of P3,600.00 per participant will be collected to defray expenses of the three-day convention. Cheque will be paid to the Regional Association of Development Information Officers (RADIO) 7.

We look forward to the participation of your local government unit/agency as we hope this invitation merits your favorable response.

Thank you for your continued support and cooperation.

Very truly yours,
