Dear Sir:

Greetings of Peace & Love!

Gender Watch Against Violence & Exploitation (GWAVE) is a duly incorporated and accredited non-government organization (NGO) of the Department of Social Welfare & Development (DSWD) assisting women & girls in situations of domestic violence among other problems.

The MVFC or Men for Violence-Free Communities, one of GWAVE's programs, advocates for men to become partners in promoting Gender Equality & Non-violence. For the past two years, our organization has partnered with the Spanish Embassy in the Philippines to develop a pool of male facilitators that will advocate for gender equality and positive masculinity. This pool of facilitators aptly calls themselves Advocates for Gender Equality and Non-Violence Through Synergy (AGENTS).

As one of our trained men, we would like to invite **Mr. Reynald Dote** from your institution to be one of our resource speakers on seminar/workshops on Gender Awareness, Positive Masculinity, VAW: Violence Against Women, Gender-Based Violence Laws, & Reproductive Health. The activity will be on **September 26, 2017 (9:00 AM - 5:00 PM)** in **Dumaguete City, Negros Oriental**. We believe that his contribution as resource speaker will be of great benefit to our male participants.
